

Geneva General Hospital's Auxiliary Holiday Remembrance Tree

Remember and Celebrate a Loved One

Dedicate a golden pinecone on the Geneva General Hospital Auxiliary Holiday Remembrance Tree in honor, memory, or celebration of someone or a special event in your life. The tree will stand in the main lobby of Geneva General Hospital throughout the holiday season.

Purchase a golden pinecone for \$10 each. We will add a tag with the name or occasion you wish to commemorate.

New this year, you can choose to purchase an ornament with an etching of the original Geneva General Hospital building for \$30 and take it home after the holidays! We will add the name or occasion you wish to commemorate to the back of the ornament.

Please fill out the form below and send it with your cash or check donation made payable to Geneva General Hospital Auxiliary, c/o Finger Lakes Health Foundation, 196 North Street, Geneva, NY 14456.

Thank you for supporting the Geneva General Hospital Auxiliary and its projects. For more information, please contact Mary Sue Dehn, Director of Development, Finger Lakes Health Foundation at (315) 787-4074.
